COVER PAINTING.. Watercolor painting of the Marjorie Parker as she lies abandoned at the side of Mullen's Freezer in Fairhaven. This is the boat that was driven up on Union Wharf right in front of MacLean's by the 1954 Hurricane. Since then she has been sunk in the harbor and towed to various points until now she lies a rotting picturesque hulk covered with green moss at this Fairhaven wharf.

JUVENILE GRANGE NEWS

The Mattapoisett Juvenile Grange held its bi-monthly meeting Friday night with Richard Rawcliffe presiding.

Plans for the Penny Fair were discussed. The poster committee, comprising of David Rawcliffe, Susan and Christine Bence, and Catherine Alves, met with the matron, Mrs. Barbara Heuberger, on Monday.

The different table chairmen will meet and plan for the tables on Monday, August 1st, at 2 o'clock at Mrs. Heubergers. The fair will take place at the Grange Hall on August 26th.

A note was read from Miss Mae Delano, an honorary member, who has been ill in the hospital.

Ruth Ferro became an honorary member. The Lecturer's program was presented by Doris Fearing.

The worthy master, Richard Rawcliffe, "surprised" Mrs. Heuberger with a lighted birthday cake and bouquet from the Grange. A "happy birthday" word contest was won by Alan Vaughan. A poem was read by Mrs. Day. The members sang the novelty song, "The Old Family Toothbrush".

A piano duet, "Heart and Soul", was played by Susan Sherman and Martha Heuberger. The game, musical rug, completed the lecturer's program.

A new organization has been started at Crescent Beach. It is known as the Cub Scouts Junior Explorers Extraordinary! It has two members: Jacky Salvo and Johnnie Kernahan. Seems these lads thought up a bright idea to go exploring for blueberries in the woods. Darkness fell and they lost the trail, so true to scout tradition, they decided to bed down for the night. But they didn't count on mosquitos and Papas and Mamas and the Mattapoisett Police Department. They were soon rescued from their plight and lived happily ever after. (At least as far as we know)

T shirts and sweaters are late arriving but they should be on hand this week. Be sure to get yours and boost our community.

A little note on safety. The bend in the road where Prospect Road joins Angelica - by the Cedars - is very dangerous if car drivers do not stay in their own lane. This writer's car was passed a few nights ago right at the corner on the left side. It's a blind curve folks, so please be careful. We don't want a tragedy at Crescent Beach.

Raymond Hall is open for bowling on Monday, Tuesday, Wednesday and Saturday at 7 P.M. to 9 P.M. Candy and coke may be purchased. Children have been seen on the roof of the Hall. Please keep off kids, as we've just had the roof fixed and you may get hurt.

The Juniors will hold a bazaar on Saturday, August 20th. More about this later. They are also sponsoring the regular Thursday night whist party this week. Gifts for

MATTAPOISETT LIONS PROJECT

The Mattapoisett Lions Club had a very successful auction at Shipyard Park, Mattapoisett on Sunday, July 24th. The project was held to raise money for the tennis courts to be presented to the town by the Lions. Originally the auction was scheduled for Saturday and had started at 1 P.M. when the rain started. After it began to pour in earnest, the proceedings were postponed. The sun did come out later in the day to allow the bean supper at the wharf to enjoy ideal conditions. The auction on Sunday drew a large crowd on

a really sparkling day. Through the cooperation of the Mattapoisett residents and the businessmen, a very good, varied collection of furniture and housewares had been gathered to be sold. So successful was the sale that the Lions are now in a position to complete the project. The hard working group plans to do much of the labor on the courts themselves.

The Lions Club expresses its thanks to all who helped them reach their goal and sincerely hope that they will have the opportunity to serve the townspeople again in the near future. A stereophonic hi fi, radio and phonograph, which furnished music at the bean supper and was a magnificent prize, was won by Mr. Dickenson of Marion. A second prize went to Mr. Hargraves and a third prize to Mr. Malcolm Whiteside. Ed Valladoa was the auctioneer.

YD HAS ANNUAL OUTING

The Junior Division of the YD Drum and Bugle Corps from New Bedford held their annual outing last Sunday at the home of Mr. and Mrs. Malcolm G. Coderre of Water Street, Mattapoisett. Miss Shirley Coderre assisted as hostess for the group. About forty attended. Swimming was followed by a cookout, and various games were played, including dancing on the patio.

A public supper will be served at the Congregational Church parish hall in Mattapoisett Saturday, August 6th, from 5:30 to 7 P.M., sponsored by the Couples Club.

mained in the budget.

The new executive secretary of the Regional Board of Community Colleges is Mr. William M. Taylor, who had been associated as head of the Newton Junior College. He came to Hyannis on Friday, July 8th, together with Mr. Phinney of the Division of Building Construction, which is one of the Divisions of the Commission on Administration and Finance, that has to do with the repairs as well as the erection of state buildings.

Together they went over the building, and Mr. Phinney's examination was for the purpose of finding where the alterations or repairs might be made to what is known as the Maritime Academy Building on Main Street in Hyannis, where the Community College is to be established. It is the purpose, also, to make use of what is called the first floor of the dormitory building for additional arrangements for the college itself.

Yesterday, July 14th, Mr. Taylor submitted this report to the full Board which approved it.

Accordingly, this Friday morning (July 15) Mr. Taylor advises me the action of the Board

It is Mr. Taylor's hope the work may be started with reasonable expedition so it could be completed in January of 1961. He likewise has made arrangements with the officials of the Town of Barnstable for the necessary lease of the buildings in question. He likewise hopes to have a conference in the building itself in the not too distant future with the various guidance officials of the various schools in the district in order that he may make clear to them all these facts about the college itself, its opening in September of 1961, and the courses that will then be available.
